EXPERIENCE

IBA (Ion Beam Applications) | Louvain-la-Neuve, Belgium | 2015 – Jul 2024
Project & Process Manager – Strategic Digital Transition

- Directed strategic digital transformation initiatives, leading the implementation of a global CMMS and collaborating with HR, R&D, QA, IT, and Operations to align with business goals.
- Delivered hospital-cluster-specific CMMS rollouts, overseeing data migration and developing support structures with a focus on continuous process improvement.
- Provided mentorship and coaching to a team of 10 FTEs, driving adoption of new processes and tools.

Huntsman PU | Everberg, Belgium & Rotterdam, The Netherlands | 2011 – 2015
Global Project & Process Manager – Logistics & Production

- Led global digital projects, mainly the implementation of an OMP S&OP tool to enhance production planning and supply chain performance
- Designed innovative processes for R&D product launches
- Conducted internal audits for ISO 9001, TS 16949, and SOx compliance

Huntsman Petrochemical | Everberg, Belgique | 2010 – 2011
Global Supply & Demand Manager

- Designed Saudi Arabia's production processes, S&OP tool and logistics workflows.
- Managed European supply, warehouse, and logistics operations, leading a team of five and driving significant improvements in process efficiency

Huntsman PolyUrethane | Everberg, Belgium | 2001 – 2010
Logistics & Customer Process Improvement Leader | 2007 – 2010

- Optimized processes for consignment stock, inside sales, and pricing approvals
- Led internal audits and contributed to global process standardization in Europe and India.

Automotive Sales Representative – France, Benelux, South Africa | 2001 – 2007

Significant – Leuven, Belgium | Apr 2001 – Nov 2001
Marketing Agent (Banking & Telecom)

KIKIRPA – Brussels, Belgium | Nov 1998 – Mar 2001
Analytical Lab Researcher (Cultural Heritage Management)
